

## **Energy Project Financing**

**Resources and Strategies for Success**

**Authors:**

Albert Thumann, Eric Woodroof

This practical application reference provides a resource for those seeking to utilize the innovative methods now available to finance energy projects. The full scope of current project financing practices are fully examined and assessed, including coverage of energy service performance contracting, rate of return analysis, measurement and verification of energy savings, and more. Readers will receive the facts they need to assess a project's payback in advance, anticipate and avoid potential risks and/or hidden costs, and assure that your energy project is an overall economic success. Other topics covered include financing international projects and ESCO's (Energy Service Company's) financing.

Albert Thumann, P.E., C.E.M., and Eric A. Woodroof, Ph.D., C.E.M., CRM
